DOCTRINAL STATEMENT

FAITH Homeschool

Spring Lake, NC

The Bible

We believe that the Scriptures of the Old and New Testament were verbally inspired of God, are inerrant in the original writing, and are of exclusive, supreme and final authority in faith and life.

God

We believe in one God eternally existing in three persons: Father, Son and Holy Spirit.

Jesus Christ

We believe that Jesus Christ was begotten by the Holy Spirit, was born of the virgin Mary, and is the true God and the true man.

The Holy Spirit

We believe that the Holy Spirit is a Divine Person, that He convicts of sin, righteousness, and judgment, that He bears witness to the truth, that He is the agent of the new birth, that at conversion He baptizes the believer into the Body of Christ and that He indwells and sanctifies every true child of God.

People

We believe that man was created in the image of God; and as a result of the transgression of Adam and Eve, our first parents, all men are alienated from God, universally sinful in both nature and practice, having within themselves no possible means of salvation. Consequently, they are alienated from the life and family of God and are under the righteous judgment and wrath of God.

Salvation

We believe that the Lord Jesus Christ died for our sins according to the Scriptures as a representative and substitutionary sacrifice and that all who believe in Him are justified on the grounds of His shed blood. Furthermore, We believe that all who receive by faith the Lord Jesus Christ are born again and thereby are children of God, eternally secure.

Christ's Return

We believe in "that blessed hope," the personal and imminent (any moment) return of our Lord and Savior Jesus Christ.

Eternity

People were created to exist forever. We will either exist eternally separated from God by sin, or eternally with God through forgiveness and salvation. Heaven and Hell are real places of eternal existence. We believe in the bodily resurrection of the just and the unjust, the everlasting blessedness of the saved and the everlasting conscious suffering of the lost.

Sign Gifts of the Holy Spirit

FAITH distinguishes between spiritual gifts distributed to believers to equip them for ministry and the “sign gifts” such as speaking in tongues which are understood to have been manifestations of the Holy Spirit to authenticate the messenger and the gospel message during the foundational period of the church. FAITH holds that “sign gifts” are not normative for the church today. While this position is not and must not be a test of fellowship with those whose understanding and traditions differ, members of FAITH will not be permitted teach or propagate views which are at variance with this position within the FAITH Community.

Pseudo Christian Cults

It is the position of FAITH that belief systems such as Mormonism, Jehovah’s Witness, Christian Science and others are not expressions of the true Biblical Christianity. Membership and/or participation in such groups prohibit involvement in the FAITH HOMESCHOOL GROUP.

I agree to not teach or propagate views which are at variance with this Doctrine Statement within the FAITH Homeschool Group Community.
